## An Act of Consecration to the Trinity, Entrusted to Mary

O Mary, Helper of All in need, Immaculate Queen of Heaven and Earth, Daughter of the Father, Mother of the Son, Jesus, Spouse of the Holy Spirit, Pray that my soul be filled with the gentle God in the fullness of Trinitarian Life.

O Holy Mother of God, Mediatrix of all Graces, Mother of the Church, Queen of Love and Peace, intercede with the Trinity for me that in my own life, I may imitate with the same spirit of Peace and Joy your total surrender to God's Holy Will, that I may live in faith and love my Priestly participation in the passion, death and resurrection of Jesus so that eternal salvation will be granted not only to me but to all those whom I serve and for whom I pray, that I may have a blessed awareness that the Risen Jesus continues His priestly work through me and may all whom I encounter each day experience Jesus' personal love for them.

O Most Blessed Trinity, for your eternal glory and my eternal salvation, for the salvation of all those living and deceased, especially my relatives, friends and any foes, I joyfully and lovingly consecrate, with and through the consecration of Jesus, my Redeemer, my body, soul and complete state of life, to you Most Blessed Trinity, Father, Son and Holy Spirit.

May my every thought, word and deed begin always under thy Divine inspiration, be carried on with your Triune assistance and be brought to completion in a consummation of Life and Love with you, Father, Son and Holy Spirit.

And to you, Mary, and your Immaculate, Maternal Heart, I entrust this, My Consecration to the Trinity, so that under your loving guidance and Motherly assistance I may live out each day this Consecration. Mary, my Spiritual Mother in Christ, intercede with the Triune God that my every thought and deed may always begin with the inspiration and help of the Trinity and indeed end in a consummation of Life and love with the Father, Son and Holy Spirit. Amen.
